THGOA Expo is South India's premier B2B Trade Fair, dedicated to the Pro Audio, Lighting, Generators, Decorations, Tents, Samiyana, Cooking Vessels, Furniture, Flowers, LED Walls, and various other segments of the Entertainment Industry.

The primary goal of THGOA Expo is to showcase the latest products and emerging trends from the global market. By bringing together traders, businesses, rental companies, and event organizers under one roof, the expo facilitates the introduction of new products to the market.

Since its inception in 2003, THGOA has successfully organized over 10 major trade exhibitions, serving more than 1000 exhibitors and collaborating with associations throughout the state. Our most recent expo in 2023 was a tremendous success, featuring over 125 stalls and attracting nearly 10,000 B2B trade visitors.

We offer significant business opportunities to our exhibitors by connecting them with exclusive B2B clients through our Association. The extensive network of association members provides a distinct advantage for fulfilling their business needs.
